Alternate Option for Primary Cross Country
The trial cross country is due to take place today for students who nominated. Students who have demonstrated skill in long distance running will participate in the set school cross country that will run at the Recreation Oval in normal sport time on Friday 5th April. The school would like to thank Mrs Harpley who spent many hours over the Easter weekend marking out an alternate course so students do not miss out on the opportunity to attend the district cross country next term on 24th May at Grenfell. Remaining students not competing in the Cross Country will also go to the Rec Oval and practise long jump using the long jump pit.

DO YOU NEED TO UPDATE YOUR CHILD’S INFORMATION WITH THE SCHOOL OFFICE?
If you have recently moved house and you have not notified the school of a change of address or you have recently had a contact number changed now is the time to notify the school office of these changes.
The school will be posting reports home shortly and all mailing details for students need to be current.

News from the Garden
There is much action in the garden at the moment. Classes have been busy planting carrots, fennel, lettuce and chick peas. We have been harvesting corn and chopping up the storks to add to the compost. The one beautiful pear was harvested and it looks like there are many apples to be harvested soon. Mulching and weeding is being done in preparation for more planting in the weeks to come.
Earth Day at Boorowa Central
Last Thursday saw up to 75% of students and staffs participate in ‘Earthday’ at school. The purpose of ‘Earthday’ is to raise awareness of the amount of electricity that we consume on a daily basis. It is not until you have to do without electricity that the powerful message of how much we consume is incredible and our daily lives are so dependent on this resource. Students in Years 5/6 did a fabulous job monitoring the school’s effort to take on this challenge. Most departments did an amazing job and not only have they saved large amounts of money in reducing electricity costs but also helped to reduce our carbon footprint for the day, which is vital for our future.

On Thursday evenings on ABC 1 a new show about our climate begins this week. Years 5/6 encourage you to try to tune in to the show and learn about the real reason we need not only have earth day, but earth life.

Primary Excursion
An expression of interest will be distributed early next week regarding the Primary excursion for this year. Students are invited to attend an excursion to ‘Mogo Town’ and ‘The Zoo’. This will be an overnight excursion and is expected to occur on September 10th and 11th in term 3. Please check your children’s bag next week and return the expression of interest and deposit as soon as possible. One bus has been booked so limited seats are available. Consideration is given to older students in the primary and students who return their deposit promptly.

LIBRARY INFORMATION
Your school library has a very large collection of both new and classic titles. With the school holidays fast approaching hopefully students will find time to enjoy a good read. I am hoping that next term we will be able to share student reviews of their favourite reads in our weekly newsletter. Some classics students might consider borrowing include:

Possum Magic by Mem Fox
One of the best known picture books in Australia and the best selling picture book in the country.

The BFG by Roald Dahl
One of Roald Dahl’s most loved novels, The BFG tells the story of a Big Friendly Giant who takes a girl named Sophie to the land of the child eating giants. The BFG spends his life blowing happy dreams to children.

Alice in Wonderland by Lewis Carroll
This book tells the tale of a girl named Alice who falls down a rabbit hole into the magical world of Wonderland.

The Wind in the Willows by Kenneth Grahame
The story of Mole who decides to step outside his ordinary life and make his way down to the local river where his is befriended by Ratty. This book teaches children the important lessons about friendship and loyalty.

The Lion The Witch and The Wardrobe by C S Lewis
Parents who might like to read one of these classics or a different selection with or to their child/children are more than welcome to send in a note in requesting their child borrows the book on their behalf. Loans are for two weeks and can be re-borrowed if that is not enough time. Students may loan before school Thursdays and Fridays and all lunchtimes each day. We are looking to extend loan times and numbers of loans from Term 2.

Requests for purchases to add to our collections are also always most welcome. Happy holiday reading to all!!
