Opportunities for Students
This week we learnt of two exciting opportunities for students of Boorowa Central School. Senior secondary students wishing to improve their leadership skills will be able to participate in a state leadership development program organised by the PCYC of NSW. Students will participate in activities on two school holidays and gain their bronze level Duke of Edinburgh Award and senior Life Saving Certification. All senior students have been emailed this week via their DEC email account.

Boorowa Central School has been approached to enter a sister school partnership with a school in South Korea. The program will provide opportunities for a group of Korean school students to visit our school staying in the homes of our students while they attend school and participate on excursions. Host families would be provided with funds to cover costs associated with hosting students. Students from Korea visit our school in February. Students from our school would then have the opportunity to visit the school in Korea for 10 days, 9 nights. Our students would fly to Seoul for two days of sightseeing then attend our sister school, staying with a host family. The cost for this excursion is currently $1900. Currently there are over 50 schools in NSW with these arrangements in place with other countries. Some schools have a payment plan process over two years to spread the cost for families. Students would need to have a passport to participate in the program.

Crookwell High School, has been participating in this program for a number of years and students have been visiting their school in Korea every second year. Yass High School is set to begin their sister school arrangement this year. At this stage we are trying to gauge student and parent support for the program to determine if the exchange is viable to go forward with.

Staff Development Day Early Advice
Specialist training is being organised for all teachers and support staff for early in the new year to support students with social and emotional needs that present with challenging behaviours. Currently we are working to have this organised for the Friday, 6 February. This will mean that students will attend the twilight swimming carnival on the Wednesday, have the day in lieu on the Thursday and Friday off as a pupil free day. Parents who may have a problem with organising child care on this day should contact the school so we may make appropriate care arrangements.

Daniel Morcombe Day
Last Friday many students and staff wore red to school to raise awareness of child safety and protection. Staff worked with students to increase their awareness about their safety focusing on the strategy: Recognise, React, Report. With high school students we highlighted that Daniel was a male and a teenager, not a young child and they all should be aware and take care.
District Swimming Carnival 2015
At the Cowra District AGM held last Thursday it was agreed that Canowindra Primary will hold all district carnivals in 2015. Canowindra pool is a 25 metre pool and the carnival will be held at this venue. This is being advertised early so swimmers can practise their tumble turns for all events. Students should also note that they do not have to do a tumble turn, they can tap the wall and turn but they shouldn’t walk on the bottom of the pool. Discretion by the pool judge will be applied for this rule. If you have any concerns please do not hesitate to contact Ms Mahoney. The district swimming date is 20th February 2015.

Bully Free Ride Bus
Year 6 students have started the ‘Bully Free Ride Bus’, which is an anti-bullying program. Every class from year 2/3 to year 5/6 have a laminated picture of a school bus on their wall. Every child in the class starts with their name on the bus and if they have bad behaviour or if they get a referral their name is taken off the bus for a week. If this behaviour continues they may not be allowed to go to the party, which is a movie day, game day or pool party day. Year 6 students are the leaders of the bus and every week we go into the classes and discuss who is on or off the bus. This program is improving the behaviour of kids a lot! Abby Daniels

The ‘Bully Free Ride Bus’ is a program to help kids improve their behaviour. It started in term 3 when Ms Mahoney and Year 6 came up with the idea. Most students’ behaviour has been great since then. All this year 6 students hope that the next year 6 class will continue with the bus. Danii O’Leary.

The ‘Bully Free Ride Bus’ is a program we are doing to stop bullying in our school. Bullying doesn’t happen much anymore. Tia Boland

I think the bus has improved the behaviour of kids since the beginning of the year. The party is a great thing to work towards as a group. Parrish Brown

This anti bullying program is having a major impact on the behaviour of students. Ms Mahoney used to get on average 12 referrals a week and this term on average she is getting 3. This is awesome and we feel proud of this. Amanda Noakes

The bus party will take place tomorrow (Friday 7th) for eligible passengers.

Boorowa Central School
Remembers 100 Years since World War One 1914 – 1918
Each week in our school newsletter we will be remembering events that happened 100 years ago in that week starting with the closure of the Dardanelles which had a big impact on our Australian history.

Mrs Eustace Modern History teacher.

November 1 - 2
At sea
A powerful squadron of German warships commanded by Admiral Maximilian von Spee inflicts a major defeat on the British squadron. The German guns have longer range than the British smaller guns. The ships Good Hope and Monmouth go down with all their crew including Vice Admiral Sir Christopher Craddock.

In the Air
Grand Admiral Alfred von Tirpitz commander-in-chief of the Imperial German Navy, demands mass firebomb raids on London.

Politics
Serbia and Russia declare war on Turkey.

Nov 3 - 4
In the North Sea German warships begin to bombard and lay mines off the east coast of Britain. The raids reach their peak December 16th. The dead toll of civilians and massive damage to property send shockwaves through the country. A British amphibious assault took place against a German port in East Africa and was defeated by the Germans led by General Paul von Lettow-Vorbeck. Lettow-Vorbeck’s force consists of only a few German companies but he began a four year long guerrilla war through East Africa tying down increasingly large British and Commonwealth forces with little aid from Germany. His campaign became a model of guerrilla warfare for the 20th Century.
