PARENT INFORMATION  
FOR SCHOOL CARNIVALS

Primary Athletics Carnival  
(Friday 30th May)
Children turning 8 years to 13 years in primary will be participating in the school Athletics Carnival that will be held at the Boorowa Recreation Oval Friday 30th May from 9.00am to approximately 3pm.

Students need to travel directly to the Recreation Oval on Friday morning. Children who catch buses will be dropped at the Recreation Oval. At the conclusion of the carnival students will walk back to school and catch the buses as per usual.

Students in Years Kindergarten to Year 2 (who are not turning 8 years) will come to school as normal and participate in classes until approximately 11am.

Students are required to wear full school sport uniform, a hat and sunscreen. Students are allowed to wear spikes for most events; however rules apply when wearing these. Spikes cannot be worn for the 800 metre event.

Parents: Who wish to take their child/ren before the conclusion of the carnival are asked to sign students out from the supervising teacher stating their time of departure and this will be recorded as partial leave.

We are extremely grateful to the P & C who will provide a canteen and sausage sizzle. Items can be purchased for recess. However it is strongly encouraged that children take their own fruit and plenty of water for the day.  
(see Canteen menu later in newsletter)

Should there be inclement weather on this date you will be notified on 2LF between 7.00am and 7.15am. We would like to thank all parents who have offered to assist in running events. It is not too late to offer assistance on the day.

Secondary Carnival  
(Thursday 29th May)
Buses will drop students at the Rec Ground in the morning and collect them from the ground in the afternoon. The SRC will be running a BBQ on the day with lollies, chips and drinks on sale. This will be classed as a Red Food Day.

NO LUNCH ORDERS TO BE LEFT AT THE SCHOOL CANTEEN FOR SECONDARY STUDENTS
**Variation of Routine**

Students in Years 5/6 visited the Boorowa River yesterday to collect samples of water. These samples will be used as a part of a bug watch survey and a scientific investigation to measure the impact of water quality on plant health. Students enjoyed their field trip and on the way home had a sensational leaf throwing competition.

**GRIP Leadership Conference**

Fourteen Year 5/6 students attended the GRIP Leadership Conference at the Institute of Sport on Monday. All students enjoyed the presentation that encompassed activities to learn and explore possible leadership opportunities that can be undertaken in our school. They also investigated types of leaders and their qualities. Students wish to thank Mrs Judy Mitchell and Ms Green for providing transport on the day.

**Max Hagar**
It was excellent, there were a great variety of fun activities involving mixing with students from other schools and sharing ideas and ways to improve their schools.

**James Farrell**
My favourite parts were when we played the 0 game, loud noises and mixed with other schools.

**Acacia Blom**
The bring ideas alive was lots of fun because you could write down all your ideas for your school and share them with your teacher and maybe your idea will start up in your school.

**Zach Franklin**
I liked the school yard hero activity and that anyone can help others and make a stand. I agree that the people who help out are better than the people who don’t care about others except themselves. I had lots of fun.

On Friday the students from K-6 participated in the annual school Walkathon. We had perfect Autumn weather for the walk and all students displayed exemplary behaviour throughout the afternoon. Boorowa residents are lucky to have such a lovely walking track. We stopped for a short fruit break in the park by the Boorowa River, it was great to get some exercise and eat a healthy snack while raising money for the Primary SRC. In total $1149.65 was raised. We would like to thank all of our kind sponsors and well done to the students for a great afternoon.
