VOLUNTEERS NEEDED FOR TOUCH/NETBALL CARNIVAL

We are still short of volunteers for the carnival. If you can see your way clear to volunteer even an hour of your time during the day please fill in the form that was sent home with your student during the week indicating your preferred work place and the time you can be available.

A Reminder regarding bus times & finishing time on Carnival day.

Due to the increased numbers of teams we have this year games will not be completed until 3.20pm.

Students involved in the carnival who normally catch the bus home with be able to do so from the showground. Kinder to Year 2 will be picked up at the school bus area as per usual at 3.00pm and the buses will then proceed to the showground to collect the carnival students at approximately 3.20pm.

Grandparents Day

We would like our primary students to take part in Grandparents day by bringing a photo taken with their Grandparent or a special friend as a contribution to the assembly which will be held on Friday 23 Oct Week 3 at 1.30pm. During afternoon tea a “Book Fair” will be available.

‘NO HAT NO PLAY’

As we head into term 4 we would like to remind parents that sunburn and exposure to high UV levels is a great concern for the long term health of your children. At Boorowa Central School it is a requirement that all students wear an appropriate sun hat, which can be purchased through the uniform shop. An appropriate hat is able to shade the neck and ear area of the wearer at all times. Please be aware that baseball caps are not considered suitable as sun protection as they do not shade the neck or the ear area of the wearer. Students without a hat or a suitable sun hat will be instructed to play in the shade during any outside activities in term 4.

Water Bottles

After the last few days of warm weather we are encouraging students to bring in a water bottle to use during the day. Students can fill their bottle as required and have access to it when needed. Please avoid providing sugary, sweetened or flavoured drinks, water is best for growing bodies, cooling down and rehydrating. Carnival competitors take plenty of water on the day.
