Library News

The last two weeks of the year will be dedicated to stocktaking and preparing for the students to borrow the many new resources that will be available for 2016. We will begin holiday borrowing in Weeks 8 and part of Week 9. To save our students the embarrassment of not being allowed to borrow books for the holidays if they have overdue books, we request that these books be returned A.S.A.P. If you are unaware of the title of your child’s overdue book, we will be sending letters home with information regarding overdue books. You may alternatively phone Mrs Eustace during school hours.
