STUDENTS INSPIRED TO AIM HIGH

Secondary students yesterday travelled to the University of Canberra to have a taste of university life. Getting into the thick of it with nursing simulations and tours of the facilities, our students responded very positively to all activities. The aim of the day is to expose students to university and to set their schooling goals high. Many students had deep conversations with the faculty members about specific courses. Molly Carney won a design competition on the day. We extend our gratitude to the University of Canberra for funding the excursion and the great aspiration agents who treated our students as VIP’s for the day.
Volunteers Morning Tea
Next Tuesday the many volunteers who assist with the programs at Boorowa Central School will be thanked with a special morning tea next Tuesday 1st December. Our school community constantly calls on these hard working volunteers on numerous occasions for their help. This yearly morning tea is held to show our appreciation for their dedication to our school and students.

Work Experience
Year 10 students are involved in work experience for the end of the term with some very interesting placements organised. Brock Ritchie is off to work with the Cootamundra Local Area Police Command for a week. Today we were visited by two Police Officers from Harden and Cootamundra who ride pushbikes around the towns. They had a chance to talk with Brock about what he is likely to experience next week.

Our food tech students demonstrate their skills at creating a gingerbread house. Tegan Howarth as seen here has excelled at making a gingerbread house.

**DANIEL MORCOMBE AWARENESS DAY**

Students were able to wear red in recognition of Daniel Morcombe Day.
On a warm spring day in November our Primary/Infants students took part in a coaching clinic run by ACT Cricket and had a wonderful afternoon learning to play the game of Cricket. The students were very keen and we hope we have encouraged some future Don Bradman’s to take up the game.

CRICKET COACHING CLINIC

The ACT Cricket Regional Development Officer for the South West today visited our Primary and Infants children to encourage their involvement in local cricket programs. Despite the rising temperatures the children enjoyed learning and developing their cricket skills.

Western Region Academy of Sport (WRAS) Scholarship & Placement in the U15s Girls 7s Rugby Squad

Recently Tracey and Amanda Noakes were offered an amazing opportunity through the Western Region Academy of Sport (WRAS). Both girls were successful applicants for the Megan Callinan Scholarship. This program is designed to assist pre elite or talented athletes reach their goals. The girls are currently participating in a strength and conditioning program. They meet with a trainer once every fortnight and they complete the rest of their training at school during their lunch break three times per week. Brock Ritchie a year ten student has also been involved in assisting with and participating in the training sessions.

On Sunday the 15th of November Tracey and Amanda trialled for the U15s girls rugby 7s squad. Both girls were accepted. They are both thrilled about the great opportunity of participating in the inaugural implementation of this WRAS squad. As part of being in the rugby squad they will attend training days, an intensive training camp, attend workshops and also they will participate in the academy games held on the central coast. We are grateful to the local organisations who provided sponsorship for their initial application and hope other groups may consider financially supporting their progress through the program.

Junee Chocolate Factory Visit
Year 12 Hospitality students enjoyed a sweet filled day at the Junee Chocolate Factory where they investigated food manufacturing processes.
Love Bites at Boorowa Central School
LOVE BITES is an extremely successful school-based Domestic and Family Violence and Sexual Assault prevention program that evolved on the Mid North Coast of NSW. Love Bites is based on best practice standards for education programs as recommended by the Federal Government funded Australian Domestic and Family Violence Clearing House and other leading academics in the area of violence against women.

Over 100,000 high school students throughout Australia have participated in this interactive and innovative program aimed at 14-16yr olds. Over 4000 workers and teachers have been trained in NSW.

LOVE BITES promotes an integrated partnership approach to prevention and generates local ownership of the program. Local service providers facilitate the Love Bites program. Professionals such as sexual assault workers, domestic violence workers, youth workers and police can facilitate the program. The Love Bites manual and two day training provides everything you need to start up LOVE BITES in your local schools.

The LOVE BITES program consists of two interactive education workshops on Domestic and Family Violence and Sexual Assault followed by creative workshops that consolidate the information from the morning.

Trained facilitators from Cowra Community Health centre presented the program as a team and LOVE BITES consistently models respectful relationships between male and female students, teachers and workers. The artworks created in the creative sessions are the basis for local campaigns to challenge Violence against Women in their community. Information about local services will be provided to students. Facilitators are hoping that as the word spreads, more local services will get their staff trained to run the program in even more schools.

Artwork Display in Carmody’s Newsagency Window
Students at Boorowa Central participated in the Love Bites program last week ahead of White Ribbon Day on November 25th. Students were required to create artworks based on local campaigns to challenge Violence Against Women in their community.

The artwork produced by our students can be seen in the window of Carmody’s old newsagency and reflects their thoughts and feelings regarding domestic violence.

Attention Choir Members

Primary and Secondary BCS Choir will be walking to Burrowa House and Boorowa Hospital on Tuesday 8th December, 2015 at 11.15am.
The Choir will be entertaining the residents with their beautiful Christmas singing voices. The Choir will also be performing at this year’s Carols in the Park on Sunday 13th December, 2015.

Presentation Night

Presentation Night is on Thursday 10th December this year.
Every student in Kindergarten receives an award and it is requested that all Kindergarten students come to presentation night.
Students from Years 1-6 who are to receive an award will be notified by letter. All students receiving awards should attend presentation night in full summer uniform.
It would be lovely to see as many students as possible at Presentation Night regardless of whether they are receiving an award or not. It is a night to celebrate the hard work and achievements of all members of the Boorowa Central School community.
The Frogmore Annual Family Christmas Tree will be held Friday 4th December at 6.30pm in the Frogmore Hall. Please bring a plate to share.

Santa will be in coming so bring a present for each child in your family to the value of $15 to put under the Christmas tree.

All families are welcome.
