REMINDER TO PARENTS

MEDICAL INFORMATION AND ADDRESS CHANGES FOR SCHOOL RECORDS

It is imperative that our school records on a child’s medical condition and address changes be kept up to date. If your child has been diagnosed with a severe medical condition that could impact on their wellbeing whilst at school please inform the school administration immediately so a suitable response plan can be initiated.

If your family address has changed since 2014 the office needs this information A.S.A.P.

WE ARE A ‘SUNSMART’ SCHOOL
‘NO HAT NO PLAY’

NAPLAN

All students in years 3, 5, 7 and 9 will undertake an examination in reading, writing and numeracy next week. Although there is usually a lot of negative media coverage of these exams, we encourage parents to not buy into this and in turn get their children overly anxious. The results (data) is more for the schools information than a full account of a child’s individual performance.

Annual School Report

The Annual School Report outlines the educational programs and activity for the 2014 school year. The Annual School Report for 2014 has been completed and will shortly be available on the schools website. Parents who do not have internet access, may request a print copy from the school.

Online Safety and Reputation

We remind parents that taking photographs of students who are not your personal children and uploading the images can be highly problematic and at times become a legal issue. The school seeks written permission to publish photos of students and we do have a number of students who are not to have images or names published under any circumstance. We ask that all parents do not film or photograph any of our students for use online. Material that you may think of as funny or cute may be interpreted differently by others and result in considerable disagreement or legal action.

Medical Updates

In reviewing medical information provided by parents for students with significant medical needs, we identified a number that are now out of date and require immediate updated information to be supplied by the treating doctor. Public Schools are required to update these forms every 12 months. Parents will be receiving a letter shortly requesting this information.

Netball NSW—Schools Cup Update

Netball NSW Schools Cup was played at Young last Thursday. Two teams have made it through to the next round and I’m glad to report that one of them was our team, the Swifts. The team will be travelling to Wagga on Tuesday 21st July to compete in the next round of the tournament.

To assist our team in furthering their netball skills, I am looking for any interested adults who have the necessary skills to coach the Swifts once a week at school, during lunch 11.00am—11.40am. Please contact the front office with your details if you believe you could assist with this training. Thank you.

Mrs Alison Finlayson—Year 5/6 Teacher.

Kindergarten to Year 6 had a lovely morning last Friday running their track events for the Athletics Carnival. Thank you to all our volunteers who assisted with the running of the day, we appreciate your support.

Years 2 to 6 students will be continuing the athletics field events at school during periods 4 and 5 over the next few Friday afternoons. All parents and community members are most welcome to come and watch these events.
