NAPLAN

Naplan has concluded today and we wish to thank parents of years 3, 5, 7 & 9 for their cooperation in ensuring that their student attended all of the Literacy and Numeracy tests and to compliment those students on their conduct during the tests.

The results from these tests are highly beneficial to our teaching staff in the future planning of our students learning requirements.

Cold and Flu Season

The weather has begun to change and the days are becoming colder. Please ensure your child has adequate clothing for these colder days particularly a jacket and beanie as they like to spend time outside during their recess and lunch breaks. Our canteen has a wonderful selection of hot food and soups for our students selection.

It is reported in the media that this year will be a bad year for colds and flu. If your child is unwell with a cold and a continuing cough, please keep them home until they are no longer contagious and are able to return to school. In this way we hope to keep the passing on of colds and flu to a minimum. Donations of tissues to the infants/primary areas would be greatly appreciated. The school does not supply tissues to the classrooms.

Goodbye to Sarah Yankelevitv

Sarah will be leaving us this Friday after spending 8 weeks with Kindergarten and Year 1/2. Sarah will be returning to her home in California and then on to Colorado Springs University to complete her post grad course.

We wish Sarah all the best in her future studies and thank her for her contribution to our Kindy and Year 1/2 classrooms during the past 8 weeks. (See photo Ms Yankelevitv with Kindergarten in their Easter Hats.)

**Kickstart Soccer**

'Kickstart Soccer' is a program designed for children with a disability aged 5-12 who would like to participate in a team sport and learn to play soccer in a structured, fun environment. The focus of the program will be on skill development, active participation and having fun.

Parent/carer participation is vital for this program to run successfully. Depending on each child’s needs and abilities, parents or carers will be asked to participate in the program with their child or at the very least remain at the field for the duration of the session (approx. 45 minutes).

The program will be conducted at Gus Smith Oval Young beginning on Saturday 23rd May in conjunction with the junior soccer competition.

The cost for the 2015 season is $30 which includes the use of a playing shirt. Socks, $10 and shorts, $20 can be purchased at the club house when registering.

Registrations will be held at Gus Smith Oval on Saturday the 9th and 16th of May from 9.00am to 11.00 am.

For further information about the program please contact Leonie Dunn on 0404159645 or email kickstartsoccer@younglionssoccerclub.com.au
