Pirate Day Friday
For those of you who don’t know Pirate Day Friday is a fundraising (a gold coin donation) event that will be taking place in schools across Australia on the 12th June 2015. The idea is to allow our students to have a non-uniform day, and dress as pirates for a bit of fun, to raise money and awareness for Children with Cancer.

SRC DISCO
We are also having an SRC disco on Friday afternoon 12 June 3.00pm - 4.30pm, the theme is pirates. Years 3-6 can attend. There will be great music and prizes. Infants (K-2) will have their disco during sport time. All students with a good uniform and behaviour record will be able to attend.

Mortimer Shield Cancellation
Unfortunately 10 June, set down for the Mortimer Shield, is also the same date of the Western District Cross Country event. As many of our Mortimer Shield competitors have been selected for the cross country event our teams have been affected. The 10 June is also a Wednesday, a day that I am required to deliver professional development to staff which means I am unable to attend the event and the school is unable to provide an additional staff member for the day. It is unfortunate that the initial event was postponed due to expected heavy rain, which never eventuated, however given the circumstances Boorowa Central will not be attending the Mortimer Shield this year.

Mrs Alison Finlayson

Keeping Warm
Please ensure your child has adequate clothing for these colder days particularly a jacket and blue beanie or a school hat as they like to spend time outside during their recess and lunch breaks. Our canteen has a wonderful selection of hot food and soups for our students selection. Donations of tissues to the infants/primary areas would be greatly appreciated. The school does not supply tissues to the classrooms.

Southern Zone Central School Rugby League & Netball Results 2015

On Tuesday May 26 and Wednesday May 27 43 of our students went to compete in the Southern Zone Central Schools Rugby League & Netball competition. We entered 5 teams in the competition. There were 3 Rugby League teams: the U14s, U16s and the opens. We entered two netball teams the U16s and the Opens.

A huge thanks to Trudy Mahoney & Sharon Hinds. Trudy refereed 12 games of netball in two days with exceptional professionalism. Sharon Hinds was an excellent team manager and ambulance. Trudy and Sharon provided outstanding support to the students and staff of Boorowa Central School over the two days. Both staff and students appreciate their time and commitment very much. Many thanks also to the parents who also made the trip to Leeton to support their students.

Tuesday May 26: U16s Rugby League & U16s Netball

Rugby League:

The under 16’s played first facing Coleambally in a close match up. The 16’s defended well and held Coleambally to three tries with two conversions. Boorowa had attacked well with structure and agility. Two tries came from Jack Hinds, and one each from Jayden Cutting and Brock Ritchie. Coleambally finished with 16 and Boorowa won the game on 18. The highlight of the match was a Coleambally player that made a clean break in the second half and looked like scoring as he ran down the side line, all hope was lost until Dylan Grey ran across from the middle of the field and took the player out with a trying saving dive.

Game two for the 16’s was against Coolamon. Coolamon were confident after defeating Hillston with confidence but were quickly brought back down to earth via the skills and team work of the Boorowa team. Successful try scores included Craig Mason, Jack Hinds (2) Brady Halls, Jayden Cutting, and Brock Ritchie. The forwards worked hard to give Boorowa field position led by Bill Barton, Bryn Archbold and Lleyton Alison. Ryan McMillan played up from the 14’s and made some well-earned metres monstering the Coolamon team with speed, size and adrenaline fuelled hyperventilation. Boorowa finished the game in from 32 to Coolamon on 4.

Game three saw Boorowa face a supplemented Hillston team. Hillston were struggling for numbers and borrowed keen players from Coolamon and Coleambally. Boorowa triumphed against Hillston, successful try scores included Dylan Grey (2 tries), Jack Hinds, Brock Ritchie (after a 80 metre break), Nick Stephens after some Craig Mason magic, and Brady Halls after a break from Dylan grey. Brady Halls showed stamina and resilience in his defence making four one on one tackles in a row during the game.

The under 16’s finished the day undefeated and are looking competitive for the state competition on August.

Netball:
The girls had a total of 6 games throughout the day. Our team was a combination of students ranging from year 7 through to year ten and there were varying levels of experience. The girls were up against some very experienced teams who play a lot of netball in year round competitions. Throughout the day the girls improved and came together as a team. They had a good time and we had no injuries.

Defence:
Sammy Saunders, Codl Rauchenberger, Larissa Corcoran and Jasmine Mitchell worked extremely hard all day trialling their hand at the various defensive positions (GK, GD & WD) and doing their best to keep their strong opponents from shooting goals.

Centre Court:
Mackella Pye worked hard all day in centre position doing her best to get the ball up our goal shooting end. She did a great job consistently getting the ball to our side from the centre pass. Fleur Corcoran, Jamie Stephenson and Larissa Corcoran assisted our centre and shooters to keep the ball up our end of the court and endeavoured to make breaks for the centre pass against their tough opponents.
Shooters:
After a couple of games working out the best positions Claudia Edwards and Jade Blomfield were in GA and GS throughout the remainder of the day. Claudia became more confident with her shooting as the day progressed and Jade provided valuable experience and exceptional shooting over the course of the day.

Wednesday May 27: U14s & Opens Rugby League & Opens Netball

Rugby League:
Day two for the Rugby League saw the 14’s and Opens play two games apiece against hungry Coleambally teams. The opens started the day with a win against Coleambally with tries awarded to Mark Veness, Blake Toman (2, one after a huge break from Alex Blomfield) and Mick Hinds. Defence was bolstered by great one on one tackling from Michael Croker, Alex Blomfield, Jacob Carmody and Tristan Mears. Blake Toman was impressive in attack and defence, converting years of AFL skills to his new favoured sport of Rugby League.

Game two of the day saw the Under 14’s play Coleambally. Successful tries were awarded to Adam Hinds, Will Wales (of the boot of John Pye) and Connor Corcoran. The Boorowa team were outplayed by the opposition with their number 7 showing exceptional skill. The game finished up Coleambally 22 and Boorowa 14.

The second game for the opens was a tough battle between Boorowa and Coleambally. The Boorowa forwards fought hard, Jack Yorkston, James Waters and Ryan Hughston made gains up the middle of the field before unleashing the ball out wide to the eagerly awaiting Boorowa backs. Both teams played fair and big hits were had from both teams. Coleambally finished the game in front 12 points to 6.

The second game for the under 14’s saw them face a confident Coleambally team in a free flowing game that was ended with 4 minutes to go in the second half. Ryan McMillan and Lachlan Innes worked hard to make metres up the middle of the field. Adam Pearsall showed perseverance in defence. Boorowa was down 6 points to Coleambally’s 14 when a tackle from Adam Hinds triggered an ambulance call for an opposition player with an ankle injury. Both teams played well and look forward to facing each other again at the state competition in August.

Netball:
The girls also had a total of 6 games. Our opens team benefited from the experience of having more experienced players. They trialled various positions and found their niche early in the day.

Defence:
Sammy Saunders was an excellent GK she had mastered keeping out her GS with vigilance. Codi Rauchenberger provided excellent defence in GD with her opponents becoming increasingly frustrated with her ability to zone them out. Hayley Saunders and Claudia Edwards were the ever ready defence force sticking with the WA all day long making it harder for them to get the ball into the circle to shoot. All the girls were making good intercepts assisting in our ball getting back up to our shooting end.

Centre Court:
Molly Stephens played centre for the majority of the day. Molly was outstanding in this position ensuring our ball got down to our shooters and getting the ball to her team mates from the centre pass no matter how difficult the challenge. Mackella Pye also stepped up to have a turn at centre where she did her best to keep up with the very experienced opposition.

Attack:
Maddie Edwards and Jade Blomfield alternated between GA and GS all day and they both played great netball. They had to work hard all day coming out of the circle to provide more options for the centre court players to get the ball into out shooting circle. All of our junior girls stepped up to have some court time against the more experienced teams which further improved their netball. They all played their absolute best and learned so much from the competition.
