GOODBYE TO YEAR 12 CLASS 0F 2015
This week of the year is always one which is full of mixed emotions. A group of young adults who have been an important and valued part of our community are leaving to embark on the next part of their lives. We are excited and happy for them, knowing that their futures spread out before them, full of new places, new people and new experiences. We share their nervousness about the coming weeks with the exams, but also about all the question marks that the future brings. The entire school community wishes the HSC class of 2015 all the very best for the future.

Grandparents Day
We would like our primary students to take part in Grandparents day by bringing a photo taken with their Grandparent or a special friend as a contribution to the assembly which will be held on Friday 23 Week 3.

‘NO HAT NO PLAY’
As we head into term 4 we would like to remind parents that sunburn and exposure to high UV levels is a great concern for the long term health of your children. At Boorowa Central School it is a requirement that all students wear an appropriate sun hat, which can be purchased through the uniform shop. An appropriate hat is able to shade the neck and ear area of the wearer at all times. Please be aware that baseball caps are not considered suitable as sun protection as they do not shade the neck or the ear area of the wearer. Students without a hat or a suitable sun hat will be instructed to play in the shade during any outside activities in term 4.

Water Bottles
During term 4 we are encouraging students to bring in a water bottle as the weather warms up. Students can fill their bottle as required and have access to it when needed. Please avoid providing sugary, sweetened or flavoured drinks, water is best for growing bodies, cooling down and rehydrating.

REMINDER FOR PARENTS
Prior to 8.30am there will not be a teacher on duty in the playground. For your child’s welfare please ensure your child arrives at school after 8.30am.

For the start of term 4 please ensure your child’s pencil case contains all the necessary items for the start of term. ie, pencils, coloured pencils, erasers, sharpeners and rulers.

**Boorowa Central School Year 5/6**

Judging by the photos below 5/6 has been extremely busy over this term. They’ve worked hard and have earned this term’s holiday break.

I hope they rest up and are ready to finish out the year next term. Remember year 6, it’s only 1 term before you become high school students!

I wish all of our Boorowa Central School Families and Community a safe and happy holiday break.

Trent Barrett Shield Final

Last Wednesday the Year 4 girls League Tag team travelled to Wagga to compete in the Trent Barrett Shield final. The girls played 4 games on the day, the first against West Wyalong the girls were narrowly beaten by 1 try. The girls showed great commitment playing most of the day without a sub and a few suffering from the dreaded flu. The second game was against Henschke and the girls ran away with a convincing win scoring 5 tries to their 1. By the third game the girls were feeling very tired but they soldiered on against Yenda who again narrowly beat the Boorowa girls by only 1 try. The girls got their second wind by the time their final game came around and they came away with their second win for the day against Leeton scoring 8 tries to their 3. Imogen Pye played outstanding in both defence and attack being the pocket rocket of the team and scoring a massive 15 tries, she was named Boorowa’s player of the day. Natasha Hagar found a corner she liked and that’s where she scored the majority of her 7 tries for the day. Katlyn Edwards was great in defence and attack, she’s not afraid to leap to grab the tags of the opposition and she stopped quite a few tries in doing so. Stephanie Piper played very well considering not feeling 100%, she was dedicated to the team and was not going to let the flu stop her from playing. The girls were joined by Molly Glover from Harden, who played an outstanding 4 games and Marley, Chloe and Chelsea from Wallendbeen, who had never played before but they certainly picked up the rules quickly and played some great League Tag. Chelsea even worked up the strength to score a try in their last game. Over the day the girls scored 23 tries and only had 16 tries scored against them. The girls showed great sportsmanship and mateship during the day. They encouraged and supported each other in every game, and it was a pleasure for me to coach them. The girls and I would like to say a massive thank you to the parents who transported the girls to Wagga and supported them throughout the day.

Years 5 and 6 study Shakespeare

Year 5 and 6 students have been learning about Shakespearean drama in their weekly library lessons this term. Students have worked in pairs to study the characters and plots of a Shakespeare play of their choice and now they are learning how to stage a play of this nature. Lots of laughter has been hard to overcome as they work on their ‘serious’ faces and poses. There are some very talented actors and directors in this class.

**APPRENTICE HORTICULTURE – PARKS & GARDENS**

**Starting Date November – January (flexible)**

Council has a position available for an Apprentice Horticulture – Parks & Gardens, the position is offered on a fixed term full-time basis for a period of 3 years. The successful applicant will obtain nationally accredited qualifications while working with Council’s highly skilled and experienced operational staff and engineers in the maintenance and operation of parks, gardens, recreation and sporting ovals and reserves in the Boorowa Local Government area.

During the 3 year period the successful applicant will undergo on the job training to gain experience in a broad cross section of work undertaken by Parks & Gardens staff. The formal training component of the apprenticeship will consist of a Certificate III in Horticulture (Parks & Gardens) or equivalent. At the completion of the 3 years the successful candidate will have gained experience and qualifications that will enable them to progress to a senior role in the horticulture field.

To be considered for this opportunity you will need to have a keen interest in Horticulture (Parks & Gardens)

Application packages are available from the Council Office at 6-8 Market Street Boorowa, and Council’s website [www.boorowa.nsw.gov.au](http://www.boorowa.nsw.gov.au). Written applications close at 4.00 pm on Monday 12 October 2015 and should be addressed to the General Manager. Further information on the position and how to apply is available from Deidre Johnson on 02 6380 2000. Anthony McMahon - General Manager
Date: 14 September 2015
Subject: Calling on Expressions of Interest - Start your Teaching degree locally in 2016

We are currently seeking Expressions of Interest from locals who would like to study a university level Bachelor of Education degree either specialising in Primary or Early Childhood teaching right here in the Young and Boorowa Shire Councils region.

Degrees will be offered via ‘Distance with Assistance’, a combination of both distance and face to face learning. Students study the majority of their course content online when and where they like, but also have a weekly face to face tutorial facilitated by a professional tutor to keep them on track, answer questions and deliver content in a personalised setting. The benefit of this type of learning is that you can:

- Live and study locally
- Work with a group of peer students studying the same subjects and degree
- Meet regularly with an experienced lecturer/tutor for a face to face tutorial to keep you on track, answer any questions and deliver content in a personalised setting.

The Bachelor of Education degree will be facilitated through Country Universities Centre (CUC) and is in partnership with CQUniversity. The degree qualifies students to become fully accredited Early Childhood or Primary School teachers across Australia.

Students in Cooma studying the same degree at the Cooma Universities Centre are currently in their second semester of study. Michelle, busy mother of three, says "I had thought about doing this for a long time.... And now with the CUC I finally am." Tanya, who had started her education degree via distance studies, says "I can't believe the difference having face to face tutorials and other students has made to my studies. I have more enthusiasm, my results are so much better and I am really enjoying the whole experience." Dot, who finished high school four years ago, says "I've made some great connections in the local community and I couldn't be happier with how semester one went."

University study is open to any age group. If you have thought about studying at university or going back to do a second degree, or if you are finishing year 12 or a gap year, this could be the perfect opportunity for you!

To register your interest, please contact Zoe at the Country Universities Centre: zoe.dawson@coomaucc.com.au or SMS 0437 344 620 or call 02 6452 3368.

REMINDER TO PARENTS

MEDICAL INFORMATION AND ADDRESS CHANGES FOR SCHOOL RECORDS

It is imperative that our school records on a child’s medical condition and address changes be kept up to date. If your child has been diagnosed with a severe medical condition that could impact on their wellbeing whilst at school please inform the school admin office immediately so a suitable response plan can be initiated.

If your family address has changed since 2014 the office needs this information A.S.A.P.

Important Information for the Community

If you are concerned for a child’s wellbeing you may ring the Department of Community Services on 132 111 or the Police on 131 444. Both phone numbers operate 24 hours a day.

Nut Aware

The school would like to remind students and parents that our school is a nut aware school. Please be mindful of foods that contain and may contain nuts and refrain from packing them for recess and lunch. Thank you for your ongoing support and cooperation.
