Newsletter via Email
Would like to receive your newsletter via email? Please provide your email address to the school office so you can be added to the email list.

_The advantages are:_
- you always receive the newsletter
- It doesn’t happen to get lost on the way home.
- You are helping our environment by minimising paper resources.

Overdue Library Books
Please check that your child does not have an overdue Library book at home. Twice a term we send out letters detailing the name of the book and the cost of replacement.

The Library is open every lunchtime and before school for borrowing and returning of books.

Power Outage September 8th

Issue No.6 Scholastic Book Club
Orders due back to the school office no later than

_Monday, 31 AUGUST, 2015._

Catalogues have been given out this week to all Primary classes. There are some wonderful books in the catalogues and they have great prices as well.

_Scholastic Rewards_
Rewards that we earn from your purchases have enabled us to obtain resources for our library and classrooms, rewards and merits for the children and headphones for our computers.

Passwords

Passwords are extremely important when preventing identity theft and considering cyber safety. By having safe passwords you are making it difficult for people to access your personal information and steal your identity.

**Passwords should be difficult to guess:**
- Never use the word password.
- Don’t use your name or your birthdate these are commonly used and easily guessed.
- Your passwords should contain a variety of characters including lower and upper case, question marks, exclamation marks and numbers.
- The more characters in your password the safer it is.
- You shouldn’t use the same password for everything. This means if someone guesses your password correctly they will have access to all of your electronic data.

G’day from a proud Coach.

I am sending a quick message to let you know how impressed I was with every BCS student at today’s Trent Barrett shield in Harden. All our students were in uniform, all our students displayed fantastic sportsmanship (particularly the boys who showed great dignity when faced with an opposition who didn't!) and every student tried their best and supported one another. Boorowa Central was also the only school who had every student remain for the presentation of awards and to applaud the other schools, which looked great. It was an absolute pleasure for me to coach the boys. The successful league tag girls team and the boys team were quite simply the best presented and behaved teams on the day. The school should be very proud of every student who attended and I would have no hesitation in volunteering my time again in the future, I was very proud to be a part of the day.

Good luck to the girls League Tag team at Wagga!

Thank you Stuart Gay

BCS students love to read! The 2015 theme is Books Light up our World.

It has been delightful to be able to purchase many requested titles suggested by both our Primary and Secondary students. More and more these days authors are creating series and students are appreciating having a favourite author and genre that encourages them to become avid readers. Series, some with as many as 7 titles by popular authors such as John Green, Jeff Kinney, John Flanagan, Morris Gleitzman, Rick Riordan, Chris Colfer, Jackie French and Cassandra Clare have been very popular in recent times.

Reading is of lifelong importance. Whether you are reading a health warning, a newspaper, instructions on a medicine bottle or directions on a map, an internet search or how to use a new piece of technology, each is another type of reading.

Novels can take you on a journey you never expected and how lovely to find time to relax and take your mind off other things while enjoying a favourite story. Reading to each other, to a child, to an elderly person can be a very rewarding time to connect to a person you care about. Night time stories for children can definitely make a difference to their creativity for many years to come.

Your child/children/teenager may borrow from a large collection of new titles, old favourites and classic novels at Boorowa Central School. Loans are processed from one to three weeks depending on the year your student is in but if they are enjoying the title they can easily re-borrow by seeing Mrs Douglas or Mrs Eustace mornings before school or any lunch time.
Boorowa achieves great success at the Rotary Model United Nations Assembly competition

Boorowa students Rhys Smith, Jazmin McMillan and Raquel Foti represented Boorowa Central School with a high standard of debating ability over the 3 day competition last weekend.

The students spent several months researching ten United Nations resolutions and spent many lunch times practising how they would deliver their material on behalf of the country they were representing, Italy. On Friday the students from 27 teams from all over Australia representing their different Rotary regions discussed and voted for or against which of the resolutions should be debated in Old Parliament House (now known as the Museum of Australian Democracy) over the following two days. The resolutions decided by the over 80 students using Bloc negotiations included; Violence against women and girls, Nuclear Disarmament, Human Rights and Freedoms while countering Terrorism and the situation around the world regarding migrants.

On Saturday Rhys debated strongly explaining Italy’s well respected interventions on behalf of European migrants as he offered to share some of Italy’s well planned and successfully carried out starts to solutions. Jazmin joined the very hot debate about Human Rights and Freedoms as teams became involved in debate about whether a terrorist can be even considered a human and therefore should they have rights?

The Rotary dinner keynote address was delivered by Mr Gary Quinlan, Deputy Secretary, Department of Foreign Affairs and Trade, Ambassador and Permanent Representative to the UN in New York until Jan 2015 and Australian Representative on the UN Security Council.

Sunday morning Raquel Foti was a strong advocate on behalf of Italy in support of the case for the Nuclear Disarmament resolution on the grounds that Italy is one of several NATO countries who host nuclear warheads for America. The final debate involved Violence Against Women and once again Rhys used his excellent speaking skills to put forward a strong case for Italy using wit and humour that had the General Assembly and the Secretary General laughing along with him.

The students are all to be commended on their hard work, responsible attitudes and mature responses to very involved international issues and willing to be involved as excellent representative for their school and community.

At Friday’s Assembly Mathletics Certificates were awarded to the top Mathletics students at Boorowa Central School. The results were as follows:-

**Preston Harris** - Kindergarten who mastered 98.55% activities attempted.

**Charlotte Penrose** - Year 2 who mastered 77.61% activities attempted.

**Archie Gay** - Year 2 who mastered 68.06% activities attempted.

To master an activity, students must achieve a score equal to or greater than 85%.

**CONGRATULATIONS** to those students and WELL DONE to all our participants who have achieved great improvement in the Mathletics activities attempted this year.

KINDYSTART HALF DAYS HAVE BEGUN

The First half day of Kindy start was an enjoyable day not only for our 2016 Kindy students but also for Deputy Principal Mrs Paula Hambly. Everyone had a great day of learning. The children loved decorating Elmer the Elephant.

The Second half day was another great day. Last Friday we talked about good manners and everyone at Kindy start showed that they had these by doing the 5 L’s of listening. We read Mrs Honey’s Hat and decorated our Mrs Honey Doll. The children enjoyed making their own Mrs Honey hats. Cutting out and pasting pictures was lots of fun. Mrs Proudford and Mrs Cusack were impressed with how well the students remembered the lines from the book! We look forward to a visit to the garden in search of “The Very Hungry Caterpillar” this Friday.

RUGBY SCHOOL VISIT AND ‘THE STONE LION PERFORMANCE’

Year 1/2 visit to Rugby Public School
On Monday Year 1/2 travelled to Rugby Public School to view a performance of “The Stone Lion” a shortlisted children’s story book in 2015. We had a wonderful morning watching the performance in the Rugby Hall with students from Rye Park and Rugby Public Schools. We then stayed and had a sausage sizzle and a play with the students who were very hospitable. We had a wonderful morning and look forward to doing some follow up work on this story and the hidden messages inside the story that were brought to life in a play. We would also like to thank Rugby and Rye Park Public Schools for inviting us to be part of this wonderful performance!

This term Year 2/3 students have been lucky to have Mrs Glover from the Australian Catholic University working with them while she completes her final prac.

In Art we have been learning to sketch portraits. We even sketched ourselves!

We had a lot of fun in Science investigating soil and the difference between sand and dirt. We now know which is better to grow our plants in.

We have been studying living things and Mrs Glover has been helping us track the growth of our cress plants. As part of learning about living things we have researched and written our own reports on a variety of animals.

During Maths we have been learning how to tell the time, we have made our own clocks, we played time bingo and Mrs Glover has kept us on our toes by asking us to tell the time from the analog and the digital clock at various times throughout each day.

We are working hard and having lots of fun learning in Year 2/3.

**WEEK 5**
Boorowa Central School - District Athletics
2015 results

Thank you to all parents who were able to attend the athletics event on Friday 7th August and who made the day a huge success for all the students from Boorowa Central School. As you can see by our results above students were very competitive in their events and had a very successful day overall. The positions recorded in bold are student placing’s for the finals events, the other placing’s are heat positions. Students with their names shaded have moved onto the next round in the Western Area Athletics Trials event and should have received their permission notes for this. Again a very large thank you to all the parents who helped out on the day with timing, placing and getting students to their events on time. Your help and assistance was invaluable and I know the students appreciated your support.

Mrs Finlayson

From our Hospitality kitchen why not try this tempting quick and easy fruit dessert, delicious either in winter or summer using fruits in season.

**Fruit Crumble - Serves 2**

250g of fruit (eg apple, peaches, plums, nectarines, rhubarb, pears, berries)
2T white sugar
1T Water
1/4 c flour
1T brown sugar
1T coconut
1T breadcrumbs
sprinkle of cinnamon
30g butter

**Method**

1. Preheat the oven to 190*c
2. Peel and chop the fruit into small pieces.
3. Place the fruit, white sugar, and water into an oven proof dish and microwave on high for 4 minutes or until the fruit is soft.
4. Place the flour, brown sugar, coconut, breadcrumbs and cinnamon into a bowl.
5. Rub the butter into the flour mixture using your finger tips.
6. Spread the crumble mixture over the top of the stewed fruit.
7. Bake in the oven for 15 minutes until golden.

**SPORT REPORT**

**CHS Central Schools State Finals—Dubbo**

Rob Daniels, Erin Harris and Sue Dwyer are in Dubbo this week with students competing in the CHS Central Schools State Finals for 16’s and opens boys and girls touch Tuesday and Wednesday.

Results so far, under 16’s boys finished second after a count back by one try to bring home the silver medal.

The girls team had a great day enjoying some fast paced action and the young team will no doubt have gained a wealth of experience for next year.

Today the opens teams compete and results will be published as we are informed.

Good luck to the Under 16’s rugby league team for today and the Under 14’s and Opens for Friday.

**News From the Art Department**

The Creative Arts department have been doing some great work on Gargoyles and making models of them out of wire and paper etc.

We are excited to be taking part in the Woolworths Earn & Learn program. You can help our school by collecting Woolworths Earn & Learn Points. Just collect the stickers when you shop at Woolworths between Monday 15 June and Tuesday 8 September 2015. We will redeem these for awesome educational resources for our school.

Simply pop them onto a Woolworths Earn & Learn Points Sheet and once it’s completed, just bring it back to school or drop it into the Collection Box at Young Woolies. The more we collect, the more we can redeem. There are thousands of products in the program, and we’d love to get lots of new gear!
